Sir:

Applicants were informed by the above-identified Examiner that the electronic copy of the sequence listing previously submitted in this application was damaged. The Examiner agreed that the Patent Office had not previously notified Applicants of the issue. The Examiner requested that Applicants file a second electronic copy of the sequence listing.

To that end, submitted herewith is a substitute Sequence Listing for which the undersigned hereby states:

1. the submission, filed herewith in accordance with 37 C.F.R. §1.821(g), does not include any new matter;
2. the contents of the 7-page substitute Sequence Listing being filed in the present application, and the attached computer readable copy of the substitute Sequence Listing, submitted in accordance with 37 C.F.R. §1.821(c) and (e), respectively, are the same;
3. Applicant respectfully requests entry of the substitute Sequence Listing into the application; and
4. all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or
